

BENSAN OVO

Hypochlorous acid based disinfection solution suitable for fumigation and spray-and-wipe disinfections of environmental surfaces as well as high-level disinfection of medical devices.

Bensan Ovo is indicated to sterilize hard surfaces by spraying directly onto the surface, and for medical devices by submerging the device in Bensan Ovo, as well as for fumigation into the air-space.

When fumigated, Bensan Ovo has demonstrated the ability to kill a wide range of airborne pathogens and significantly reduce the spread of infectious disease. Bensan Ovo is designed to be used in the presence of Human traffic, exposing the public to the solution. Adjust the fumigation time and quantity according to the size of the room to be treated.

Bensan Ovo is compatible with all commonly available fumigators.

Bensan Ovo is completely non-toxic and can be applied on stainless steel, plastic, Formica® and glass among other sensitive surfaces.

The formulation offers excellent residue-free cleaning and disinfection efficacy against a wide range of pathogenic microorganisms. Bensan Ovo which is compatible with a wide variety of medical devices can be applied broadly. Examples include general patient areas, NICU's and ICU's, endoscopy, ER, dialysis centers, operating rooms or CSSD.

Features

1 Sporocidal (C. Diff.), Virucidal, Bactericidal, Fungicidal/Yeasticidal

2 Residue-free formulation

3 Non-corrosive, excellent material compatibility

4 Completely non-toxic, biodegradable, environmentally friendly, alcohol free

5 Odourless

6 No safety equipment required – safe as water

7 Developed and manufactured in the United Arab Emirates

Reorder Numbers	Description	Content
HDO1001	Bensan Ovo with Sprayer	1 liter
HDO1002	Gallon or 4-liter bottle	4 liter
PES-1025	Bensan Manual Fumigation	1 Unit
PES-1400	Bensan Stationary Fumigation	1 Unit

Bensan Portable Fumigator PES-1025 by PermaSafe

- Portable, Flexible
- Apply at the point of need
- Works with all Bensan Fogging solutions
- Tank size of 300mL
- Horizontal and Vertical Coverage of up to 1.5 meters
- Weight 1.5kg
- Power: 16 Watts
- Voltage: 5V
- Battery capacity: 5200 mAh

Bensan Fumigator PES-1400 by Safecare

- Highly efficient – dispensing up to 260mL of solution per minute
- Works with all Bensan Fogging Solutions
- Accurate dispensation of solution
- Tank capacity: 5L
- Power: 1200W
- Weight: 4KG
